

## Final Team Challenge

This final team challenge is to take an “after” team picture. Someone on the team must take the picture and email it to me at [efaught@princetonclub.net](mailto:efaught@princetonclub.net) by Saturday, Jan 24th at noon. This is an easy 20 points for participation for your team. We can then look back at your teams before and after pictures and see how far you have come!
