

Team Challenge #1 – Team Name!

Your team can earn 5 points for coming up with a team name during your first class meeting. Choose one person from the team (not the Trainer) to be responsible for emailing Erin (efaught@princetonclub.net) the name no later than Tuesday, November 14th. Your Trainers will have to help facilitate this but a member still has to email Erin for the name to count. Late entries do not count for any team.

An extra 2 points for also emailing a team picture!

There will be a drawing for one random team to earn 3 extra points for the team!
